

State of Minnesota (MN) Employment Laws

This state employment law section provides information on Minnesota's employment laws. For your convenience, the poster section features downloadable state and federal posters.

Employment laws typically vary from state to state. It is always prudent to contact an employment attorney knowledgeable in your state's employment laws for further information.

To learn more about specific laws and regulations in Minnesota, please review the content and resources on the right-hand side.

State Agency Resources

For more specific information about Minnesota employment laws or regulations, contact the HR Hotline or review further resources from Minnesota's state agency websites.
